The submitted products have been tested by us with the listed standards and found the tested sample is in conformity with all related provisions of harmonized standard EN71 under Toys Directive 2009/48/EC.

The test results apply only to the particular sample tested and to the specific tests carried out. This certificate of conformity applies specifically to the sample investigated in our test report only and shall not imply an assessment of the whole production. It is only valid in connection with the corresponding test report. The CE markings as shown below can be affixed on the product after preparation of necessary technical documentation. Other relevant directives have to be observed.
